

If this is your first time at a common prayer:

Welcome! The common prayer meetings in Taizé are designed to be accessible for everybody so you are welcome as you are.

This is your personal time with God and the songs are designed to be sung together – they help us pray. Join and sing along as well and as much as you can or feel comfortable.

Find a comfortable place for you. We encourage you to try sitting on one of the prayer stools on the floor.

If you need to leave before the end of the prayer, then please leave during one of the songs, not between them.

We ask you to keep the quiet in the church after the prayer. Please avoid speaking loudly before you have exited the church.

Thank you for coming! You are very welcome back!

Kui osaled ühispalvusel esimest korda:

Tere tulemast! Taizé ühispalvused on avatud kõigile – oled oodatud just sellisena, nagu oled.

See on Sinu isiklik aeg Jumalaga. Kõik laulud on mõeldud ühiseks laulmiseks – need aitavad meil palvetada. Võid julgelt nendega ühineda nii palju, kui soovid ja end mugavalt tunned.

Leia endale sobiv koht. Soovitame võimalusel proovida istuda põrandal olevale palvepingile.

Kui pead palvuselt lahkuma enne selle lõppu, palume seda teha laulu ajal, mitte lauludevahelise vaikuse ajal.

Palume pärast palvuse lõppu kirikus vaikust hoida. Alusta valjemal häälel vestlust palun alles siis, kui oled kirikust väljunud.

Aitäh, et tulid! Oled alati südamest teretulnud tagasi.
